---

AMV(All Music Video) is a proprietary video file format, produced for MP4 players. But Many [Anime](#)

Lovers and enthusiasts over the net create their own AMV and they called it

[Anime](#)

Music Videos. An Anime Music

[Video](#)

is a Video made from compilation of scenes from a specific or different various anime with the background Music of any song that the listener might deem fancy. They're rapidly gaining popularity over the internet with millions and millions of people, mostly kids, are trying to get their hand at making their own versions of these Videos. AMV's are usually displayed in
