Most of the time we offer 4 videos for each episode but due to any circumstances some Videos may not work on your country or it has been removed by which the video is being hosted or busy, broken due to numerous people watching the Video. Sadly, this circumstances are beyond our grasp as you can see we don't host this videos to our server and just like any other Anime streaming site on the net because this is a violation of copyright we only share videos that people and Anime lovers alike already uploaded on the Internet. But, you don't have to worry you can still watch your favorite Anime on our affiliate site just go to our affiliate site link you will find various Trusted Anime site.
